

**PERFORMANCE CLUTCHING
&
DRIVELINE SPECIALISTS
FOR ALL MAJOR BRANDS**

Snowmobile Product Catalog 2014

Performance Clutching and Driveline Specialists.

Ask anyone who's been around snowmobiles and snowmobile racing over the past 40 years, and chances are they'll recognize the Erlandson name. Two generations of Erlandsons made their mark on both the oval and drag circuits over the years, and CVT clutching was their ticket to the podium.

Chad Erlandson continues to work his magic on CVT systems as the head of Product Development for EPI. Each year he tests all the new snowmobile, ATV & UTV models and designs Performance Clutch Kits that recalibrate the stock clutches for particular styles of riding and the most common modifications. Many hours and miles of testing and recalibrating go into each new Performance Clutch Kit that we offer so that you have a simple, bolt-in solution to your riding needs. Chad has the scars on his knuckles to prove it. So when you order your new EPI Clutch Kit, you can feel confident you're getting a great performance value for your money.

Thank you for your continued business, we appreciate it!

Kick some serious snow with an EPI Clutch Kit!

An EPI Clutch Kit is money well spent. We guarantee it.

EPI offers a complete line of clutch kits to work with your machine and riding style. Our clutch kits are designed to improve performance without compromising reliability and are more efficient in transferring the power of your machine down to the ground.

Trail Performance Clutch Kit

- Delivers bolt-on performance for riders who like to have the winning edge
- Improved acceleration that reaches top speed more quickly
- Low-end and mid-range performance increases
- Exceptional backshifting and throttle response delivers stronger out-of-the-corner pull
- Keeps engine at peak rpm
- For additional gains, the use of traction gains is recommended
- Kits designed for stock sleds with stock exhaust unless otherwise indicated

Pro-Series Clutch Kit

- Polaris models only
- Designed for all-out aggressive riding
- Tremendous performance gains and strong backshift
- The use of traction products is highly recommended
- Kits designed for stock machines with stock exhaust unless otherwise indicated

Some kits require additional tools for installation. Look up your Clutch Kit part number on our website at EPIperformance.com, or call our Customer Support at 218-829-6036 to see if any special tools are needed for your application.

Belt Break-in

A new belt needs to be broken in properly to give you many miles of trouble-free service. We know it's hard to do, but it really does make a big difference. Wash the belt in warm soapy water and dry thoroughly, clean the clutch surfaces, check deflection and then take it easy for the first 30 miles (that's the hard part). Vary your speed and stay away from full throttle runs until after the break in period. Short bursts are OK, but don't keep it pinned wide open for long. This will prep the surfaces of the belt and ensure good adhesion to the clutches.

When tuning your clutches, remember:

The weights/spring in the drive clutch must be matched correctly to allow the engine to hold its peak rpm while the clutches shift out. EPI offers a full line of custom weights and springs to dial in your drive clutch to match any style of riding or modifications you've made to your machine. If you'd rather leave the work to us, check out our full line of Clutch Kits on pages 2-5.

EPI SEVERE DUTY BELT

THE ORIGINAL HIGH PERFORMANCE BELT THAT STARTED IT ALL.

Because our primary business is CVT clutching, we have a lot of experience with drive belts and the demands placed on them. Our Severe Duty Belts are put through extensive testing and many miles of abuse before we offer them to you as the best belt you can buy. Treat yourself and your machine to an

Erlandson Performance Severe Duty Belt
and ride with confidence!

Available through your dealer or contact us today!

Check your brake pads!

Most people forget about their brake pads until they lose their braking performance. By this time, your brake rotor or caliper can be damaged. You want your brakes to perform well when you need them. Inspect your brake pads for wear regularly, it can save you money, and might even save your life.

Like to ride in the mud? How about the sand dunes? Maybe you're a trail rider who likes to ride the trails, the mud, the sand, the rocks.... you get the picture. If you're like most ATV/UTV riders you save your allowance and customize your machine the way you like. That usually includes things like bigger/more aggressive tires, a great sounding exhaust system and any way you can find a little more power/performance. Well don't forget to pay some attention to your CVT! As you add power to the motor and bolt on bigger tires, your CVT is struggling to deal with all these changes.

That's why you need an EPI Clutch Kit! An EPI Clutch Kit will recalibrate your CVT to run correctly with your modifications. Your machine will put that new-found power to the ground, turn those larger tires easier, the clutches will run cooler and the motor will be running at its correct rpm again.

Our stuff works. We guarantee it. If it doesn't perform well and provide value, we don't offer it. Kind of a simple company goal, but it's worked for us for a long time and we're sticking with it. We invite you to take a look at our line of products and order with confidence knowing you will get a high quality product at a fair price.

Clutch Kits starting at \$49.95

Wheel Shafts starting at \$159.95

CV Joint Kits starting at \$99.95

Drive Belts starting at \$49.95

Clutch Rebuild Kits starting at \$49.95

Brakes starting at \$13.95

PROCESSING AND SHIPPING

EPI makes every effort to have product in stock when you place your order and will provide same day processing for items in stock. We will ship directly to the shipping address you provide at the time of the order via UPS or USPS. USPS shipping will include a handling charge of \$2.50. Refused packages that are sent back to EPI are subject to a 20% restocking fee plus freight charges.

SATISFACTION GUARANTEED

Customer Satisfaction is our #1 company goal. If you are not happy with our products, or you need to return a product, please let us know and we will make every reasonable effort to resolve the issue. Contact Customer Service at 218-829-6036.

DAMAGED SHIPMENTS

Please inspect your package immediately upon receipt. In the rare event that your package is damaged in transit, indicate damage when you sign for the shipment. It is very important that you retain all packaging. Please contact EPI Customer Service immediately to report any damaged shipments.

BACK ORDERS

If an item is out of stock at the time you place your order we will keep it on backorder and ship it to you as soon as it becomes available. All backordered items incur freight when they are shipped. If you do not wish us to backorder items for you, please let us know at the time you place your order.

CATALOG CONTENTS

Prices shown are current as of the time of print and are subject to change without notice. We reserve the right to correct typographic, photographic and/or descriptive errors.

DEALERS

Online pricing is now available. Applications are available by contacting EPI. We reserve the right to refuse dealer set up to any account not meeting dealer requirements.

MERCHANDISE RETURNS

All returns must receive authorization within 30 days of invoice date. All returns are subject to inspection. Returned merchandise must be unused and in resaleable condition. Returned items needing to be repackaged are subject to a 10% repackaging fee. Unauthorized returns are subject to a 20% restocking fee. **ALL RETURNS MUST BE PRE-APPROVED WITH AN RA NUMBER DISPLAYED ON THE BOX. PRODUCT MUST BE RECEIVED WITHIN 15 DAYS OF DATE RETURN AUTHORIZATION IS ISSUED.**

PARTS INSTALLATION & FITMENT POLICY

ATV's / UTV's can be dangerous. EPI has no control over the use of any part. EPI expects the customer to exercise good judgement as to the proper selection, installation, use and maintenance of any part. EPI assumes no responsibility for damage or injury of any kind because of misuse, improper installation and improper application of any parts in any way by any person.

WARRANTY POLICY

EPI warrants its products to be free of defects in material and manufacturing for 1 year from the original date of purchase. This does not apply to electrical components, normal wear or conditions resulting from misuse, abuse, negligence, accident, improper application, improper installation or alteration.

BELTS: If, within 1 year of original PURCHASE date, the EPI belt fails due to a defect in material or manufacturing, a replacement belt will be provided by EPI upon inspection. A \$20 handling fee and certain conditions apply, please see your EPI belt sleeve warranty form or contact our Returns Department at 218-829-6036 for details, and request a warranty claim card.

WHEEL SHAFTS & CV Joints: EPI Wheel shafts and CV Joints that are determined to have a defect in material or manufacturing will be replaced at no charge within 60 days of original purchase date. After 60 days and up to 1 year of the original purchase date a \$50 fee will be charged for replacement. **EPI Wheel shafts and CV Joints are designed for use on STOCK machines. If your machine is lifted in any way this may result in failure of the component that is not covered by warranty.** A lifted machine results in a more severe CV joint angle and our replacement components are not designed to tolerate this increase in angle and may fail. Upon inspection, if any of the related signs of over-extended angles are present, the warranty will be void. Customer is responsible for shipping the failed component to EPI for warranty inspection.

Electrical components are not covered under any warranty and cannot be returned once installed or connected to power. Electrical components include but are not limited to: switches, ignition coils, CDI boxes and regulators.

Normal wear items: If, within 1 year of original PURCHASE date, the EPI part fails due to a defect in material or manufacturing, a replacement part will be provided by EPI upon inspection. Normal wear items include but are not limited to: Ball joints, belts, brake pads and shoes, brake rotors, bearings, carbide runners, clutch rebuild kits, CV boots, seals, springs, suspension rebuild kits & components, slides, tie rod ends and u- joints

WARRANTY IS VOID on any vehicle that has been altered in any way to include performance enhancements to the engine other than the **OE DESIGN**.

EPI reserves the right to make the determination if the part has been subject to normal wear, misuse, abuse, negligence, accident, improper application, improper installation or alteration, and all such determination shall be final.

All warranty claims will be handled directly by EPI. To **obtain service under this warranty please contact EPI for return authorization**. Cost of removal, reinstallation, product pick up and delivery are the sole responsibility of the original owner. Retail customers must provide proof of purchase with in 1 year for warranty to be honored. **ALL RETURNS FOR WARRANTY MUST BE PRE-APPROVED WITH AN RA NUMBER DISPLAYED ON THE BOX. PRODUCT MUST BE RECEIVED WITHIN 15 DAYS OF DATE RETURN AUTHORIZATION IS ISSUED.**

EPI has no control over the use of any part. EPI expects the customer to exercise good judgment as to the proper selection, installation, use and maintenance of any part. EPI assumes no responsibility for damage or injury of any kind because of normal wear, misuse, abuse, negligence, accident, improper application, improper installation or alteration of any parts in any way by any person. EPI reserves the right to make changes to the warranty policy at any time without notice.
